

AIS SCHOOL VISION

For our students to become confident, capable and socially aware global citizens who contribute meaningfully to the communities in which they choose to live and work.

Jakarta Bytes, 2nd April 2026

Principal's Highlights

A shortened week of learning in our final week of Term 1 with Three-Way Conferences and Good Friday tomorrow.

Three-Way Conferences

For those parents that were able to attend we do hope our conferences were worthwhile for you. The learning journey and student-centered approach is fundamental to our AIS way. We are always looking to ensure everything we do is the best it can be, so any comments or suggestions on improvements please talk to your class representative parents.

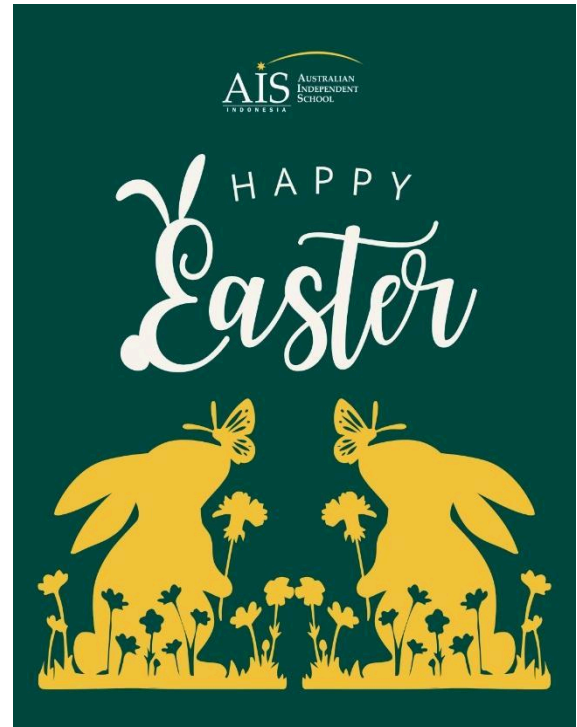

AIS Jakarta Harmony & Autism Awareness Day

Supporting two initiatives can be hard, particularly when it comes to what you wear! Thanks to all our community who supported Harmony (celebrating our diversity) and Autism Awareness Day today.

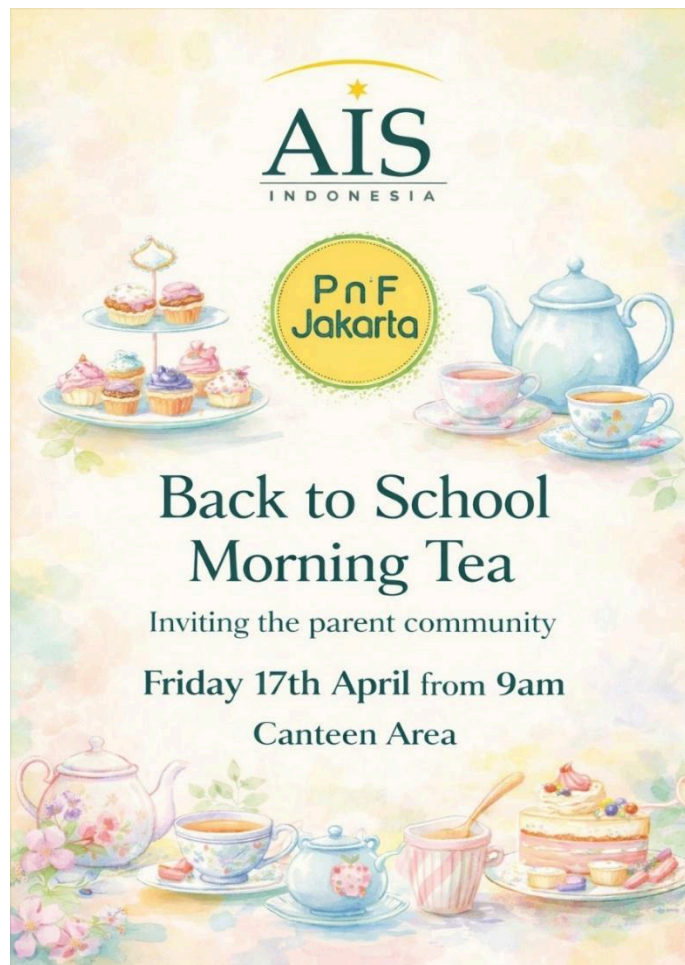

Good Friday

Happy Easter
