Visit from Australian Embassy's new Consul-General

As many of you know, AIS Jakarta has a strong bond with our Australian Embassy here in Jakarta with many families' active members of our learning community. This week we hosted a visit from the new Consul-General, Mr Darran Roper. Darran met with senior leadership and had a tour of our campus with our High School Captains, Salma and Rares. Thanks for the visit, we are always happy to host!

PnF Welcome Back Morning Tea

Was a great morning tea to welcome back our parents for Term 2. Many thanks to our PnF executive for organising the event. Was great to see new and returning parents on campus. Remember always that we welcome parents to be here on campus and enjoy our Jungle Toppings food and drink.

PnF Newsletter

Parents & Friends (PnF) at AIS Jakarta hosted a wonderful Morning Tea and Sharing Session today, bringing together our school community for a meaningful conversation on Parenting & Self-Care.

We extend our heartfelt appreciation to our inspiring guest speakers, Katie Cummins and Sabina Theo, for generously sharing their insights, experiences, and practical wisdom. Your contributions created a warm and reflective space for all of us to learn and grow.

A sincere thank you as well to all the amazing parents who attended and made the morning so special with your presence and engagement.

We look forward to welcoming you again at our next Morning Tea and Workshop!
